

SPECIFICATION

Ready to get more done

The iOTA ONE has been designed to give you more! It's more stylish, compact, versatile and durable than ever before!

The iOTA ONE has a unique, flexible, rounded hinge that gives it a sophisticated, modern look. Plus, a detachable keyboard, with precision touchpad and buttonless release, that allows the iOTA ONE to effortlessly fit into your everyday life.

These amazing features, plus the 10.1-inch Full HD display, with pinch to zoom functionality, gives you all the convenience of having a portable, powerful and reliable computer, or you can quickly transform the iOTA ONE into a versatile, responsive tablet with endless capabilities.

Stay Connected

When you are on the go, you need to stay connected and with the iOTA ONE you can quickly connect all of your favourite devices via the Full USB, Micro USB, Micro HDMI and headphone jack ports – so you can take the iOTA ONE everywhere and use it anywhere!
